TODAY 18TH JUNE , 2023, THE STUDENTS OF SILICON MODEL SCHOOL ALAMPUR CELEBRATED FATHER'S DAY.

In the life of all of us, the importance of a mother is as much as that of a father. If the mother gives birth, then the father works hard throughout his life to maintain us and fulfill our every dream. Don't know how many sacrifice, but want to see happiness on their child's face in return. Have no hope for yourself. To honor this selfless love of a father, Father's Day is celebrated every year on the third Sunday of June. This time Father's Day is being celebrated on 19th June. Father's Day was first celebrated unofficially in the year 1907 in America. While officially it started in the year 1910. A father spends his entire life to lay the foundation for the future of children, to fulfill their smallest needs. We all never thank our father for this. Whatever we are today, it is because of the hard work and love put in by my father day and night. Father's Day is the day to thank father for his love. It is a day to honor them. On this day, we should try to do everything so that we can make our father feel special on this day. On this occasion, different competitions were organized today in Silicon Model School for all the students from class LKG to X, such as poetry singing in class LKG and UKG, card making for class I to V, students of class VI to VIII To express gratitude to their fathers presented their respective essay on father and a video on best moment/experience shared with their father from class IX to X. All the students participated very enthusiastically in the various competitions organized in the class. This time Father's Day being on Sunday, all the students participated in the class-time competition while staying at home. And shared their videos and photos.
